Am an ear for what freeven hand sace
So I thought when a long open winter,
With its days so sumy and warm—
A scenning reversal of nature—
At last brought the cold and the storm
For months I had seen my pet sparrows
From the lane earth securing their bro
But that morning the king of the sparre
Lay prome on the door-stop, and dead.

MANUFAUTURING IN CANADA.

The chief reason given on behalf of the
Dominion Government for bringing on the
general election in 1882—a year carely
than it might have been held—was that
expisalats were ready to invest millions of
dellars in manufacturing inductions, provide
at they were assured of the continuance of
the National Policy, which assurance would
only be given by the people themselves
